15-16 JUNE 2016 Tour & Taxis Brussels

The 2016 European Development Days (EDD) are fast approaching, with a focus this year on implementation of the 2030 Agenda on sustainable development, and multi-stakeholder contributions that can make this EDD an especially engaging and participatory forum.

In the spirit of cooperation, the [EU-ACP Technical Centre for Agricultural and Rural Cooperation \(CTA\)](#), the [EU-ACP Technical Barriers to Trade Programme \(TBT\)](#) and the [EU-ACP TradeCom II Programme](#) will jointly organise two unmissable debates at the EDD2016 on pressing development issues in African, Caribbean and Pacific countries (ACP).

Join us in Brussels @ Tour & Taxis and be part of the debates:

“Recent global developments in agricultural trade and the Sustainable Development Goals in African, Caribbean and Pacific countries” on June 15th – 9.30 to 10.45 am. More information available at: <http://bit.ly/1Wnweo5>

“The Treatment of Food Standards in Mega-RTAs Policy Implications for ACP Countries” on June 16th – 9.15 to 10.30 am. More information available at: <http://bit.ly/24p34Gf>
